## About Liam's Links

Liam's Links is an event sponsored by SSADH Research Alliance, Inc., a 501(c)(3) non-profit, tax exempt organization created in 2010 by Liam's family and friends in honor of Liam, to raise awareness and research funding for SSADH deficiency. This inherited pediatric neurotransmitter disease profoundly affects a child's ability to eat, walk, communicate, sleep, and learn. In 2010, Liam's uncle and board member, Mark Hourigan, spearheaded the first annual Liam's Links Charity Golf Tournament. In 2011, the board of directors voted to expand the scope of our mission to serve a broader range of people with different types of intellectual disabilities (including, but not limited to SSADH Deficiency).

As many of you know, we are a non-profit 501(c)(3) charity. Thanks to each of our generous supporters, we've been able to raise over \$100,000 for the following 501(c)(3) charities and non-profit organizations who currently serve children and adults with neurological disabilities:

- Faison Residence
- The Arc of Virginia
- Jill's House
- Cohousing Association of the United States
- The Richmond House
- SSADH Association
- LTO Ventures
- Positive Vibe Cafe

We hope you will come join us at our reception and/or participate in this year's golf tournament that is held before the reception. The reception is for everyone, not just golfers! The event has been great fun these past six years, and Salisbury Country Club is fantastic!
